### JOHN CAPUTO WINS 2<sup>nd</sup> WSOP CIRCUIT RING IN EVENT #7 OF FOXWOODS SERIES

*Foxwoods legend John Caputo does it again*

Foxwoods regular John Caputo has won his second World Series of Poker Circuit ring after taking down Event #7 (\$400 No-Limit Hold'em) at Foxwoods Casino for \$12,260.

Caputo came into Day 2 of this event short stacked after getting his aces cracked twice at the end of Day 1.

"I was the chip leader yesterday and then I got my aces cracked two different times last night; once by kings, and the other time by pocket eights I believe. I don't remember the exact hands, but it was frustrating to go from chip leader to the short stack coming into Day 2," Caputo said. "Then I just grinded and grinded. To win it is unbelievable, really."

Caputo is somewhat of a legend around Foxwoods, and the supporters showed up on his rail in droves. When asked if he had any wisdom or advice for his young followers Caputo said with a smile, "You gotta win it on the river."

Caputo is very much a family man, and his wife can often be found sitting behind him while he plays here at Foxwoods. "I am just happy to have two rings now, one for each grandchild," Caputo concluded.
