KIP JONES WINS EVENT 4 AT IP BILOXI

Overcomes Massive Chip Disadvantage Heads-Up to Take Home First WSOPC Ring.

Biloxi, MS (October 30, 2011) — Kip Jones beat Danielle Barbee heads-up in Event #4 at IP Casino Resort and Spa in Biloxi, Mississippi to record his first WSOP Circuit win.

Jones is a 41-year-old business owner and Louisiana State University graduate from Baton Rouge, Louisiana. The \$15,455 dollar payday was not his largest poker score, but he insisted he is not a professional poker player, and wouldn't even call himself a semi-professional.

"The money isn't really what I play for," Jones said. "I play for fun. I play to win, and the ring symbolizes the win. It shows that you've done something not too many people can do."

He only gets to play poker every few months because he keeps busy with work, but when there is a tournament series close by, he always makes the effort to play a few days.

The \$555 No-Limit Hold'em tournament at IP drew a field of 109 entrants and paid the top 12 finishers each a piece of the \$52,865 prize pool.

Joining the players at the unofficial final table of 10 was Kai Landry. Landry is a professional poker player with 13 WSOP cashes and two Circuit rings. He came to the table as the short stack and was eliminated in tenth soon after players had redrawn to one table.

With his elimination, an official final table was formed and the chip stacks were as follows:

Seat 1	Larry Green	Houston, TX	103,500
Seat 2	Jordan Andrus	Lafayette, IN	54,000
Seat 3	Kenny "Bad Hat" Piel	Tunica, MS	236,500
Seat 4	Grant Elmer	Fayetteville, AR	167,500
Seat 5	Kip Jones	Baton Rouge, LA	175,500
Seat 6	Kevin Kaylor	Houston, TX	173,000
Seat 7	Danielle Barbee	Atlanta, GA	220,500
Seat 8	Chris Parsons	Mentor, OH	98,500
Seat 9	Thomas Doussan	Metairie, LA	77,000

Ninth Place: Grant Elmer is a 28-year-old from Fayetteville, Arkansas. He works in sales and this was his first WSOPC cash. His ninth place finish came after he moved all-in with pocket Kings and was called by the pocket Aces of Barbee. He never improved and earned \$1,327 for his finish.
