Some people play poker to make a living. They are enticed by the money and what it can buy them. Then there are guys like Alex Bilokur. The Russian businessman and part time poker player deals in big bucks, namely big buy-in events, but he isn't playing for six and seven figure paydays. He plays for the bracelets. And today he got his first one.

"It was my dream," Bilokur said following his big win. "It's been my dream for a long time."

Bilokur defeated Florida-based cash game player Matthew O'Donnell.
