Preface: Jesse McEuen is the winner of the latest World Series of Poker event in Las Vegas. He won the $1,500 buy-in Ante Only No-Limit Hold'em tournament, defeating 714 players en route to his first gold bracelet victory. McEuen collected $212,093 in prize money. Those are the basics. And now for the rest of the story….

This is the unlikely story of a dream, a dog, and paying it forward.

This is the story of two men, both down on their luck, mere acquaintances, who came together and bonded at the world's premier poker tournament.

This is the story of triumph and defeat, failure and success, and the magic of second chances.
