LARRY ODEGARD WINS 1ST CIRCUIT RING IN EVENT 10

Proposition player turns his love for poker into a tournament win and biggest career cash

Larry Odegard made the final table in Event #8 just last night and decided to get the job done this time. The newly crowned champion pocketed $20,116 in Event #10 while earning his first ever tournament win and Circuit ring.

When asked how he got into poker, Odegard said, "I've loved poker all my life since I was a kid, but actually when I started to get into this kind of poker was about 10 years ago when I started working at the casino. I was a proposition player." The San Jose native said he was short on chips before he reached the money, but managed to spin it up and turn it into a win.
