MATTHEW HIGGINS DOMINATES IN EVENT #2 WIN

Higgins' first Circuit win brings a \$101,326 payday.

Rossville, Georgia's Matthew Higgins has captured Event #2 of the 2017-18 WSOP Circuit Harrah's Cherokee, No-Limit Hold'em \$500K Guarantee.

Higgins began Day 2 action as the chipleader and stayed there through most of the day before grabbing his first Circuit win. His \$101,326 winner's payday more than doubles his previous WSOP career earnings of \$48,440, all of which has come from five previous Circuit Harrah's Cherokee cashes,

Higgins has surged to early leads before at Cherokee, as he had similar great starts in two main events at this Circuit venue. This time, however, he was able to seal the triumph, losing the lead only briefly during the final day's play.
