### SAM SMITH CLAIMS CHEROKEE'S POT LIMIT OMAHA RING

*Suwanee, Georgia's Smith logs career-best cash of \$20,950.*

Sam Smith, a 39-year-old system engineer from Suwanee, Georgia, has become the latest WSOP Circuit ring owner after winning Event #6 of Circuit Harrah's Cherokee, \$365 Pot Limit Omaha. Smith's winner's payday of \$20,950 marks only his second WSOP cash, and that comes three years today after his first, in a 2014-15 Circuit event in Cherokee.

Smith surged from near-elimination during three-handed action to claim the win in this series' only PLO tourney. "It's my favorite game," he told the WSOP.

Smith, who's married (Amanda) and has two children (Maxwell and Holly), will play another event or two before returning to Georgia. But not the main event, as his systems-engineering work awaits him on Monday.
