### JEREMIAH PIERCE WINS MONSTER STACK RING

*Part-time poker player Pierce collects \$86,981 and first Circuit ring.*

Jeremiah "Jay" Pierce of High Point, North Carolina, has captured Event #8 at Circuit Harrah's Cherokee, \$365 No-Limit Hold'em Monster Stack. Pierce's first-ever poker win earned him an \$86,981 payday, a great two days' work for this full-time shift supervisor and part-time poker player.

Pierce came to the final table of the huge 1.807-player Monster Stack event in second place, and used a continuing run of hot cards to stay at or near the top until the end. It's a breakthrough win for Pierce, who's participated in occasional Circuit events in recent years. This time the result was exceptional, but perhaps not truly life-changing; in Pierce's words. The big win will just allow him to "play more poker."
