### CRAIG TROST WINS 1<sup>st</sup> WSOP CIRCUIT RING IN HAMMOND

*Craig Trost wins his first ring after finishing runner up earlier this year.*

Craig Trost, from Madison, WI has just won his very first WSOP Circuit ring. Trost took down Event 12, the \$400 No-Limit Hold'em Bounty Event. Trost finished second to Leevy Yoesep earlier this year at Potawatami, Milwaukee and it left a bad taste in his mouth. "It was really sad, I had a huge chip lead heads up and got crushed. I ran really bad." This heads up however was very different "It didnt last very many hands"

Trost says that his heads up opponent Michael Ma was "Short most of the day and worked his way through, we played a big pot earlier in the day where his ace king made quads against my pocket aces" It all worked out for Trost in the end, "This one feels good"

Trost earns \$16,335 for his victory, as well as the gold ring. He wanted to thank his wife Megan for being "Super supportive.. I'm happy to have her in my life."
