### **JEREMY EYER IS THE WINNER OF EVENT #5**

*He wins his first Circuit ring and a \$19,603 payday.*

Jeremy Eyer just won his first career ring after playing poker tournaments for 10 years. He defeated 220 competitors to earn \$19,603, the second biggest WSOP cash of his career, as well as his first title at the WSOP Circuit.

"It feels good. It's been a while but at least I've won."

Eyer wasn't really chasing a Circuit ring, he mostly plays online, and focus on playing the tournaments that have a good value.

"I don't really chase it, I just play where the value is at, but it's good to have it!"

However, now that he claimed a big score, he will take a shot at getting an automatic seat into the Global Casino Championship.

"I'm here so, I'm going to try..." he concluded with a smile.
