STANISLAV ANGELOV WINS SECOND CIRCUIT RING WITHIN TWO MONTHS

Less than two months ago, Stanislav Angelov won his first circuit ring after defeating 739 players in Event #7, the \$250 No-Limit Hold'em, at the Harrah's Cherokee WSOP Circuit stop. Today, he just claimed his second Circuit ring after topping 311 competitors in Event #7, the \$400 No-Limit Hold'em 8 Max at the Horseshoe Tunica Stop.

"I'm just playing good I think, I'm having a good run too. I'm really grateful."

Angelov owns a limousine company and recently started following the Circuit. He is trying to become a full-time professional poker player, and it's definitely looking good for him as he just pocketed \$25,145 for his win, his second five-figure score within two months.

"I'm trying to become a full-time poker player. We will see how it goes. I've always been a good tournament player. I used to be successful online. I just don't play online anymore because it's not regulated very well. But I'm loving the series, I like the people too. As long as I'm successful, I'm going to keep doing it."
