### RYAN ABELSETH WINS SECOND EVENT

*After a grueling final day, Ryan Ableseth came out on top with first WSOPC Gold.*

Ryan Ableseth has come out on top of the 464 player field in Event #3: \$250 Double Stack No-Limit Hold'em at Horseshoe Casino in Hammond. He took home the first-place prize of \$18,810, 50 points towards the 2020 Global Casino Championship and his first World Series of Poker Circuit gold ring.

This two-day tournament was a true grind, with play continuing for a little over 15 hours and Ableseth didn't let the length wear him down. "I'm tired it was long day, but I stuck it out and I'm excited to grab this first win," He said after the win.

Ableseth came to the final table as one of the shortest stacks with only, but after a long grind at the final table couple, he got the hands he had been waiting for heads-up. "It was a battle to get here but heads-up the cards just ran me over pretty much." He said with a chuckle.

"I just want to thank my girlfriend Molly for putting up with me and spending the weekend alone to let me go play, my buddy Dave who has always supported me to keep playing through all the bad beats."

Ableseth has a pretty rough work schedule but intends to play the Main Event at Hammond as he won a seat in the high card drawing.
